Dear Licensee:

This refers to the above-mentioned application dated December 13, 2018, requesting further extension of your authority to continue to operate at reduced power. You indicate that WJKT requests to continue to operate at reduced power on its post-transition channel (21) using an interim antenna while new post-transition antenna is installed.

In light of the above, special temporary authority is GRANTED pursuant to Sections 73.1560(d) and 73.1635 of the Commission's Rules. This authorization expires on **May 31, 2019**.

Once again, we wish to point out that any request for further extension of this authority must include your reasons for extension and a detailed description of steps being taken to return the station to a fully operational facility

Sincerely,

A handwritten signature in blue ink that reads "Kevin R. Harding". The signature is fluid and cursive, with the first letters of each word being capitalized and prominent.
